*Phoebe , Your web site was the first I looked at and I was very impressed with the selection and customization options. I kept looking at other sites and found no other sites had the selection or options that you offer. I really liked the variety of poem selections and that I could pick a poem that was appropriate for my relationship with the person I was giving the hankie to. And I really liked the fact that I could then edit the poem to make it even more personal.*

**Carol G, Maidstone, VIC – Dec 2014**

*I can't wait to give them to my family and to see their reaction when they open them. I know they'll love them as much as I do. My only mistake was not ordering one for myself. Thank you again for an incredible product and a level of customer care that you gave me.*
